Whether or not I become a customer, you may share and use all the information I give to you Abbey National plc (Abbey) and/or Banco Santander S.A. (Santander) or you hold on me, including information on transactions on the account, with the group of companies to which you belong (the Santander group), your associated companies, registrars, service providers or agents who may be based in other countries. I understand that you will make sure that my information is only used in line with your instructions and your own strict policies on confidentiality. If you transfer my information to another country, you will make sure that you give it the same levels of protection as needed under the UK Data Protection Act.

I agree that you may use my information in this way for administration purposes and to:

- Provide and run the account or service I have applied for and develop and improve your products and services. In particular, information about my Santander Shareholder Account and Santander Dividend Re-Investment Plan may be given to other companies in the Santander group, registrars, service providers and agents to enable further Banco Santander shares to be purchased on my behalf.
- Identify and let me know by post, phone or email of products or services, which your group of companies and its associated companies think may interest me. (If I am aged over 18, when deciding whether to provide me with details of a credit product you may search the files of credit reference agencies, who will not make a record of this search available to other lenders who search my file).
- Invite me to take part in market research surveys.

If I would prefer not to receive up to date information on other products and services or to be included in market research, I can tick the following boxes: Please do not contact me by telephone by post by e-mail for market research . Unless I have said otherwise, by continuing with this application, I agree to you contacting me using any of the methods shown above.

I understand I will continue to receive information from Santander about any Santander benefits available to me.

Before you can open my account, you will check my details with fraud prevention agencies, and may make searches at credit

reference agencies who will supply you with information including information from the electoral register, for the purposes of verifying my identity. Scoring methods may be used to verify my identity. A record of this process will be used to help other companies to verify my identity. If I give you false or inaccurate information and fraud is identified, details will be sent to fraud prevention agencies. Law enforcement agencies may access and use this information.

You and other organisations may search and use the records held by credit reference and fraud prevention agencies about me and my financial associates or partner/spouse and others in my household, to prevent crime, fraud and money laundering and for example:

- To check details provided on applications for credit and credit related or other facilities
- To verify my identity if I or my financial associate applies for other facilities
- To help make decisions about credit and credit related services, insurance proposals and claims, and all types of facilities for me, my financial associate or partner/spouse and other members of my household
- To check the operation of credit and credit related accounts and to manage accounts and facilities, including tracing debtors and recovering debt
- To help make decisions about job applicants and employees
- To undertake statistical analysis and system testing

You may also give essential information about my account and cards (if any) to others if needed to run my account and for regulatory purposes. Information about me will be kept after my account is closed and/or my participation in the Plan has ceased.

I understand I have the right to see certain records you hold about me if I pay a fee and I can get an information sheet explaining my rights from any branch.
